

VSFS.state.gov Graphic Designer

Project Title	VSFS.state.gov Graphic Designer
Project Summary	Help the largest digital internship in the world keep our “look” fresh and our communication lively while at the same time developing graphic and digital media products that will make your portfolio shine!
Country	United States

Project Description

VSFS is no longer the Virtual Student Foreign Service; we are the VS Federal Service so it's time for a brand new marketing campaign. We have a budget and a billion ideas. What we need is YOU! The right person for the job is a print and digital graphic designer, someone who is flexible and creative. We will ask for work samples and interview via Skype. Tell us why you are the one we're looking for.

Required Skills or Interests

Skill(s)

Graphic design

Infographic design

Social media management

Videography

Website design

Additional Information

The ideal candidate loves graphic design and is skilled at using tools like Photoshop, Illustrator, After Effects, etc. and enjoys working in a flexible, collaborative approach. Interest in social communication and sense of humor, a plus! We will interview and request portfolio samples.
